

Ingersoll Rand Forklift Part

Ingersoll Rand Forklift Parts - Ingersoll Rand offers services, products and solutions to be able to increase the productivity and ensure efficiency in residential, industrial and commercial environments. They pride themselves in providing products so as to enhance the safety, comfort, security and health of people around the globe throughout their four global segments.

From their Climate Solutions division comes a product line of energy efficient HVACR solutions. The Thermo King is the leading transport temperature control, while Hussman makes food merchandising and refrigeration solutions. Trane is a trusted provider of energy efficient heating ventilation and air conditioning systems, contracting and building parts support, advanced controls and services for both commercial buildings and residential homes.

The Industrial Technologies sector of Ingersoll Rand provides products and solutions in order to improve energy efficiency, productivity and operations for their clients. The series of products in their line include: tools and pumps, and material fluid handling systems to complete compressed air systems. They have even developed Club Car, the international leader in golf and utility vehicles designed for individuals and companies.

Brand names like for instance Schlage and Trane provide residential solutions that provide comfort, safety and efficiency to home owners across North America. Their innovative products comprise mechanical and electronic locks, indoor air quality solutions, air conditioning and heating systems, remote home management, portable security systems and advanced controls.

The sector comprising Security Technologies offers products which ensure secure, safe and productive surroundings. This division's market leading products include door and floor closers, portable security devices, exit devices, biometric and electronic cabinet hardware, access control systems, steel frames and locks and doors, locksets and decorative hardware. Schlage also has products that offer attendance, personal and time scheduling systems.
